At the website you'll see options to:

### 1 ORDER MY TEXTBOOKS

The LAPU Online Bookstore operates completely online and can be visited at [lapu.edu/bookstore](http://lapu.edu/bookstore). Students visit the website to order online and have their textbooks shipped to their home or to campus (digital course material access is emailed).

### 2 BUY LAPU MERCHANDISE

The LAPU store also operates online and sells branded merchandise like shirts, hats and other items. Visit via the link above, or direct at [lapu.edu/store](http://lapu.edu/store)

### HOW DO I ORDER MY BOOKS?

1. Visit the bookstore and log in with your LAPU email and password. Your registered courses and the course materials assigned to them will appear all in one page
2. Select from the new, used, eBook, rental, and Marketplace options
3. Check out and complete your order in 5-10 minutes

### WHEN SHOULD I ORDER MY BOOKS?

The earlier you order, the more chances you have to find the best deals. It's recommended that you order 2-3 weeks before the term begins.

### WHAT IS THE MARKETPLACE?

The Marketplace is where students and book vendors across the nation buy and sell books at discounted prices. You can save an average of 60% off when you order a Marketplace book. Please note, Marketplace items do not qualify for free shipping.

### PAYMENT:

Check out with any major credit card, debit card, or prepaid credit card. Students may also use their Paypal account or Apple Pay to check out. Financial aid funds, when approved by the school, can also be used.

### SHIPPING & TRACKING:

Various shipping methods and time frames are offered. Orders over \$49 qualify for free economy shipping (excluding Marketplace items). Use the Order ID number in your confirmation email to check delivery status. Not all Marketplace vendors offer tracking, but you can contact the seller through the website.

### RETURN YOUR BOOKS:

New textbooks can be returned for a refund as long as it's within 30 days of the order or two weeks after the start of class. Ebooks can be returned within 14 days. Marketplace items are non-returnable. Items ineligible for return are marked "non-returnable" at checkout. If you miss the deadline to return or you ordered a book that is not returnable, you can always sell it on the Marketplace. Check the website for full details.

### SELL YOUR BOOKS:

You can post any textbook on the Marketplace, name the price you want to sell it for, and wait for someone to buy it. Some textbooks sold on the bookstore's website come with a guaranteed buyback price. At the end of the term, visit the website for instructions on how to return it for the guaranteed price. If you would rather sell it for a different price on the Marketplace, you can. When you sell through the website, you're paid either by a deposit to your bank account or by store credit (store credit gets 5% extra!).
