

LOS ANGELES PACIFIC
UNIVERSITY

Associate of Science in **HEALTH SCIENCES**

ABOUT THE PROGRAM

Serving as a stepping-stone into a bachelor's degree or career, the Associate of Science (A.S.) in Health Sciences offers students a broad knowledge base for the major elements in health sciences. The curriculum lays the foundation for ethical evaluations and professional decision-making.

CAREER OPPORTUNITIES

Health professions such as dental hygiene, medical assistance, health information, and positions in medical and dental clinics, hospitals, and gerontology agencies.

Highlights

- Integrate a Christian worldview
- Demonstrate the fundamentals of oral and written communication skills
- Incorporate current research into health science problem-solving
- Apply quantitative reasoning to health science concepts
- Examine cultural and diversity issues
- Demonstrate fundamental lab skills in the field
